

Statement of Work

TV Marti Studio One Hardset Lighting Project

- 1.0 OBJECTIVE:** The Agency requires the design and integration services to provide set lighting of its new TV Studio hardset. The government intends to issue a contract pursuant to the Federal Acquisition Regulations (FAR).
- 2.0 PERIOD OF PERFORMANCE:** All work described in this Statement of Work shall be completed within 10 days after receipt of order.
- 3.0 LOCATION:** Office of Cuba Broadcasting (OCB), 4201 NW 77th Ave, Miami, FL 33166
- 4.0 TASKS:** Contractor shall provide turnkey services for the installation of the required lighting of the new TV Marti Studio One hardset at OCB-Miami. Services include placement of LED lighting in and around the set in accordance with designer's specifications. Attachment A provides a scaled drawing of the set. A "*best-guess*" estimate of the equipment and materials needed for this lighting task is provided in Attachment B. NOTE: This listing is provided as a beneficial estimate for the Contractor *only*. The Contractor shall be responsible to verify these requirements prior to submitting a proposal and complete all the necessary work in its entirety to include installation, testing, and training. The Contractor shall provide documentation and diagrams of the lighting installed, as well as all manuals for installed equipment at the end of the project.
- 5.0 CONTRACTOR FURNISHED EQUIPMENT/MATERIAL:** Unless otherwise specified herein, the Contractor shall be responsible to provide all necessary tools, equipment, materials and labor to perform work under this contract.
- 6.0 OCB PROJECT MANAGER:** The government will designate Senior Broadcast Technician Richard Volion as its on-site Project Manager. Overall supervision of the project will be the responsibility of Mr. Volion. The primary mode of communication with the Contractor shall be on-site, email or phone. The Contractor is advised and cautioned that no additions, deletions or any other changes are to be made to this contract without the written approval of the Contracting Officer.
- 7.0 GOVERNMENT FURNISHED EQUIPMENT/SERVICES:** OCB has restricted access to its facility. The Contractor shall be provided access to the site when properly coordinated with the Task Order Project Manager. Generally, this access will only be allowed when OCB personnel are present and on-site.
- 8.0 WORKING CONDITIONS:** Contractor must submit a list of job site personnel 1 day before start of installation. Work shall be performed between the hours of 6AM to noon, Monday through Friday, unless coordinated and approved by the OCB Project Manager.
- 9.0 SAFETY/CLEANUP:** All excess materials and trash shall be removed from the job site each day, and disposed of in accordance with the local governing disposal laws. The Contractor shall
