The International Broadcasting Bureau (IBB) – Office of Cuba Broadcasting (OCB) requires AM broadcast placement services for Radio Marti programming. These services are required from a station in the Miami area that has been proven to have a nighttime signal that reaches our target audience in Cuba. OCB intends to award a sole-source purchase order to test the extent of this audience reach. Test services under the proposed purchase order will be limited to an 8 week period, for 14 hours a week. Award shall be made using Federal Acquisition Regulation (FAR) procedures. Firms capable of providing similar services are invited to submit their interest in a fax letter to (305) 437-7027 or via email to [mamps@ocb.ibb.gov](mailto:mamps@ocb.ibb.gov) which includes their company name, address, telephone number, and the name of the Agency's contracting officer stated above within 10 calendar days of this public announcement. This announcement is not an RFP or IFB.

Pursuant to FAR 5.101(a)(2) this, Public Notice shall be posted until:
